SARTHAK GLOBAL RESOURCE CENTER

The Sarthak Global Resource Center for People with Disabilities envisions a future where individuals with disabilities are celebrated for their unique abilities and empowered to achieve their full potential.

Our Commitment & Vision

• **Echoing Government Initiatives** - Our commitment aligns seamlessly with the initiatives championed by our esteemed Prime Minister, aimed at elevating the lives of Persons with Disabilities (PwDs).

• **Rooted in Experience** - SGRC is the visionary creation of the Sarthak Educational Trust, an eminent organization with a rich history of nurturing disability inclusion since 2008.

• **Expected Impact** - SGRC aspires to shape a future where PwDs transcend limitations and are empowered by their untapped potential.

• **Addressing the Need** - SGRC has arisen as a response to the prevailing void in services, resources, and attitudes that hinder the progress of PwDs.

Space Designed for Progress

Fostering Awareness: Our Awareness Initiatives sensitize your team to the challenges and potential of differently-abled individuals, encompassing:

• **Vision in the Dark** - A unique simulation fostering empathy and transforming attitudes.

• **Ability Museum** - Assistive Devices on Display: Enhances your understanding of tools that dismantle barriers.

• **Global Accessibility Development Center** - Access to cutting-edge research and development.
